Epreuve « Parcours D'obstacle »

The diagram illustrates an obstacle course on a beach. The course starts at a 'Départ / Arrivée' (Start / Finish) line marked by flags. The first obstacle is a large orange triangle with two horizontal bars. The second obstacle is a 'Zone max embarquement' (Maximum loading zone) marked by blue diamonds. The third obstacle is a 'Ramper' (Crawl) section marked by a yellow box. The fourth obstacle is a 'Sauter' (Jump) section marked by a blue box. The course ends with a series of turns indicated by black arrows. A red dot is located in the water near the 'Zone max embarquement'.

Epreuve « Parcours D'obstacle »

The diagram illustrates an obstacle course on a beach. The course starts with a sign labeled "Départ / Arrivée" (Start / Finish) next to an orange flag. The path leads to a "Zone max embarquement" (Maximum loading zone) marked with blue diamonds. From there, participants proceed to a "Ramper" (Crawl) section, indicated by a yellow box and a black arrow. This is followed by a "Sauter" (Jump) section, marked by a blue box and a black arrow. The course concludes with a series of turns, indicated by black arrows and red dots. The background shows a sandy beach and a body of water.

Epreuve « Parcours D'obstacle »

The diagram illustrates an obstacle course layout on a beach. The course starts at a 'Départ / Arrivée' (Start / Finish) line marked by flags and a sign. The first obstacle is a large orange triangle with two horizontal bars. Following this is a 'Zone max embarquement' (Maximum loading zone) marked by a red dot. The next station is 'Départ / Arrivée' again, with two figures standing on a yellow line. Below this line are four blue diamonds. The course then leads to a yellow square labeled 'Ramper' (Crawl). After the crawling section, there is a series of green and orange loops. The final obstacle is a blue rectangle labeled 'Sauter' (Jump). The course ends with a series of four small green circles, each with a black arrow indicating a turn. A yellow rectangle with a black arrow is also shown in the bottom left corner.
